### DONATION TO THE SCHOOL

The Parent Council have been able to donate a fantastic **£4,500** to the school. An amazing achievement given the pandemic and restrictions in place last year.

This money will help fund school developments including the repair and revamping of the outdoor play equipment in the playground.

The money the Parent Council makes through fundraising helps every child at the school so all of your ideas and support are gratefully received.

Money raised by the Parent Council has previously funded ipads and a charging station, P7 leavers' gifts and transport to the Pantomime.

**Your School Lottery** – We launched an online lottery in June 2021 to boost school funds. Join the lottery for only £1 a week to help raise school funds. Local cash prizes every week of approximately £20. A great way to support the school and be in with a chance to win a £25K national jackpot!
