Dear Parents and Carers

Hello

I hope that all our families enjoyed the long weekend. It's been great to have everyone back in school and ready for the rest of term 3! Staff spent the In Service day working with cluster colleagues on some collaboration activities, as well as spending time learning more around Neurodiversity and strategies to support learners from Tanya Tennant. Everyone left feeling informed!

Staged Intervention - Block 2 (Feb-June)

Some pupils may require additional support to access the *curriculum* or to support their *Health and Wellbeing*. If this is the case then children will have a *Staged Intervention Plan*. This plan provides further detail of strengths, support needs and any other relevant information and, depending on support, targets are set by staff working with the children.

Staged Intervention plans will be sent today for those who this applies to and we ask that you take time to read the plan, add any comments and send one copy back to the class teacher. Parents / carers may also receive two copies of the evaluated Block 1 plan. It is important that you take the time to read through the comments, add any feedback and also send one copy back to the class teacher.

These documents are retained within your child's Staged Intervention file and we would really appreciate all parents / carers returning the paperwork as swiftly as possible, NO LATER THAN WED 21ST FEBRUARY.

Dolphin House

P7C head to Dolphin House on Monday! Excitement levels are off the scale! Please make sure you spend time at the weekend getting all necessary items packed and ready. The forecast is looking cold and dry with some periods of rain, so layers are the way to go! And socks!! Pack lots of socks! I would also remind everyone that although waterproof jackets and trousers are provided, pupils should still bring a warm, outdoor jacket with them!

P7 pupils should bring their luggage into school via the old entrance and should wait in the bottom part of the hall. Parents and carers are welcome to wait to wave the bus away around 9:15. As a reminder, PUPILS ARE NOT PERMITTED TO BRING MOBILE PHONES WITH

THEM. School will send daily updates and photos on X (formerly Twitter) so make sure you follow us: @CoyltonPrimary

British Science Week

This year, British Science Week takes place from Monday 11th until Friday 15th March. Mrs Wilcox is the staff member who leads STEM subjects across our school and EYC and she is busy preparing a variety of lessons for all classes. The theme this year is Time.

In order to enhance the learning across classes, we are asking for support from anyone who has a career within the following fields:

- Architecture
- Science
- Farming
- Veterinary
- Engineering (any)
- Product Design
- Supermarket Buyers

We would love to hear from you and would encourage you to come and have a chat with us. Please contact the school office on 01292 612491 or via email coylton.mail@south-ayrshire.gov.uk

This links in so well with our Developing the Young Workforce agenda this year and so any help would be very much appreciated 😊

In addition, Mrs Wilcox is requesting any empty and clean plastic water bottles so long as they DO NOT HAVE A SPORTS CAP.

Diary Dates

We will try and give as much advance notice of school events as we can to help fit in with your family plans. This list is subject to change, and is not exhaustive. We have added a number of things to the Diary Dates this week!
