

Dear Parents and Carers

Good morning! Seems that the days are flying past at the moment and that we are very quickly working our way to the end of term. Staff in school are continuing to work really hard to finalise this school session while preparing for the new session starting in August. We really do have an amazing staff team, and I am very grateful to all of them for their commitment to our pupils and our school.

Just a reminder that formal homework has now stopped. Children will benefit more during June from being outdoors. We would definitely continue to encourage children reading every day, whether on their own or with a family member.

Sporting Events

A big thank you to Mrs Edmiston and our Sports Leaders for such a successful sports morning last Friday. They even managed to sort out some sunshine!! The pupils had fun earning points for their house, and the results of sports day will be announced at the end of term. They also organised a day of championship events, with points from these also going towards the trophies at the end of the year.

Our EYC sorts had to be rescheduled due to the weather and will now take place on Friday 14th June.

Please check the diary dates at the end of the round up for the most up to date sporting events.

News from the EYC (provided by Kelly 😊)

Embracing Transitions and Exploring Mini Beasts

The preschool children have had a very positive transition into school, demonstrating remarkable resilience. We've continually checked in with them to address any concerns or worries, and overall, they seem excited about this new chapter. Our two-year-olds have also been transitioning into the 3-5 room and have coped exceptionally well.

A Journey into the World of Mini Beasts

This week, we followed the children's lead in exploring the fascinating world of mini beasts. Inspired by their curiosity, we embarked on a project to build our very own bug hotel.

Venturing into the great outdoors, the children searched for worms and other mini beasts to populate our new habitat. It was a wonderful opportunity for hands-on learning, sparking engaging conversations about the natural world.

Sports Day Announcement

Weather permitting, our sports day will take place on Friday, the 14th, at 2 PM. We look forward to a fun-filled afternoon of activities and hope to see you all there!

EYC – P1 Transition

We were so pleased to welcome our new start P1 pupils back into school this week for their second transition event. We already have very high hopes for a settled start in August. Our final session is outlined below, and then our Tie Ceremony on 26th June where P7 officially pass on the baton to our new P1

Wednesday 12 th June 9:15-10:15am	Transition Day 3 – Health and Wellbeing focus in class Only pupils to attend this session
Wednesday 26 th June 2:00-2:45pm	Tie Ceremony for EYC children heading to P1

Fair Trade Café and Parent Drop In

We have our Parent Drop In session planned for Monday 10th June, from 3:15 till 5:15. This is an opt in for any parent who wishes to come along to their child's class and have an informal chat with the teacher, as well as having a look at pieces of work in jotters and on display. Teaching staff will be available from 3:15pm till 5:15pm. Please note, staff finish at 5:15pm so please ensure that if you do wish to pop in, do so before this time 😊

In addition to this, P5/6 are looking closely at the Fairtrade charity, and its background. They would like to invite any parent or carer dropping in to school during the times above to also pop in to their classroom where they will have a Fairtrade Café up and running, with any money raised going directly to the charity!

The Fairtrade Marketing team within P5/6 are asking parents to complete a very short survey. This has also gone out on teams. Please use the QR code below.

There will also be the opportunity to purchase items from our Science Stall at bargain prices at the café!

Bump Up

P7 pupils across South Ayrshire will 'Bump Up' to their chosen secondary school on Tuesday 11th and Wednesday 12th June. Arrangements have been sent to P7 parents from their secondary schools already.

Children moving up a class here in school will have a Bump Up hour with their new class teacher on Wednesday 12th June. Letters will come home to parents on this date outlining their child's class and teacher for next session

As always in Coylton Primary, we need to restructure each year and so we will have the following classes:

EYC

P1 P4/5

P1/2 P5

P2/3 P6

P3 P6/7

P4 P7

Teachers in school are currently very busy creating these new classes for next session, taking many factors into account such as peer relationships, literacy and numeracy abilities and additional support needs. I know this can be a daunting time for pupils and parents, but please trust our staff. Every child is looked at individually and not just grouped together. We generally get things right, and are always available to talk to parents and pupils about classes. Restructuring every year really does help support when children move on to secondary school as already, they have had experiences of mixing with others within their year group every year of primary school.

P6 and P7 School of Rock Showcase

Following the success of the musical showcase at Christmas, P6 and P7 pupils are very busy rehearsing for a new showcase based on the musical School of Rock! They are working closely with Mr Thomson who will direct the showcase, and also with their class teachers. We will have 2 performances, held in our own school on:

Tuesday 18th June 7:30-8:30

Wednesday 19th June 1:30-2:30

Tickets will cost £5 and MUST be presented for the performance. We are having to be strict about seating and so we cannot have anyone come in without a ticket this time. We are also unable to have younger children sitting on laps. Every ticket purchased will be entered into a free Prize Draw, organised by the Parent Council. School will also run a small tuck shop at both performances.

Until today, we have saved allocated tickets for all pupils in P6 and P7 classes. However, any tickets not being used will become available on a first come first served basis for anyone else in P6 or 7, and then the wider school from Monday 3rd June. Tickets can be purchased via the school office, and we are operating a cash only system for this event

We are always looking at ways to gather the views of parents and carers, and so each ticket will have a Quick Question on the back. Our school is very special to us for many reasons. We would like to know why you think our school is special or unique, or what makes it rock! We would be really grateful if you can take a minute to answer the question before handing over your ticket at the performances! We will gather the data generated from this activity and report back at a later date.

Rehearsals are going well, and it is sure to be a fantastic performance 😊

PLEASE NOTE, LETTERS ARE COMING HOME TODAY TO ALL PUPILS IN P6 AND P7 REGARDING AN ADDITIONAL REHEARSAL. THIS WILL TAKE PLACE ON MONDAY 17TH JUNE FROM 5PM TILL 8PM. THIS WILL BE A FULL TECH REHEARSAL, AND MORE DETAIL WILL BE INCLUDED IN THE LETTER SO LOOK OUT FOR THAT COMING HOME IN BAGS TODAY.

Triathlon

Today, we have waved off all pupils across p5 and p6 classes, as they take part in South Ayrshire Council's triathlon event. Pupils will swim, run and cycle down at Prestwick Oval along with children from all over South Ayrshire. Parents have already been lettered about the arrangements but just a reminder to send plenty of water, sun cream and a hat should children need it. Thanks in advance to those parents who volunteered to help out. I am sure it will be a fabulous day!

Health and Wellbeing in P6 and P7 classes

Pupils across P6 classes will be working on some lessons within Health and Wellbeing related to Puberty over the next couple of weeks. P7 pupils learned about Conception to Birth this week, and I would like to praise them for the mature attitude shown. These topics are

very much part of Second Level experiences and outcomes within Curriculum for Excellence and will be handled sensitively through the use of cartoons and online characters. The Experiences and Outcomes are listed below:

- I recognise that how my body changes can affect how I feel about myself and how I may behave. **HWB 2-47a**
- I can describe the physical and emotional changes during puberty, understand why they are taking place and the importance of personal hygiene. **HWB 2-48a**
- I am able to describe how human life begins and how a baby is born. **HWB 2-50a**
- I can describe the role of a parent/carer and the skills, commitment and qualities the role requires. **HWB 2-51a**

Parentsportal

What is Parentsportal?

The traditional school bag run has been used to facilitate communication between parents and schools for generations. Parentsportal provides a digital solution to this issue, making it easier for parents and carers to manage paperwork connected with school activities, and to obtain information about their child's educational progress at a time that suits them. The priority, as we introduce Parentsportal, is to enable parents to sign in and complete the Annual Data Check online. We will then be working on introducing additional services to the platform during 2024.

Our school is now live on Parentsportal, and links have been sent out via Groupcall Xpressions on how to sign up. This will make such a difference all round when it comes to the Annual Data Checks as we won't be sending home all the paperwork – it's good for the environment too as we won't be using reams of paper or the photocopier. Please don't hesitate to contact the school office for more information. So far, we have 70% of families signed up, so please take a few minutes to link in.

Bikeability Level 1

Bike Ability is going well for P5 pupils.

Reminder...pupils must wear acceptable head protection and suitable outdoor clothing for every session. Bikes must be walked through the school playgrounds AT ALL TIMES and parked in the bike shelters.
