14th February 2020

Dear Parents/Carers,

We are delighted to be able to offer the P6/7 pupils a residential experience. The cost of the trip including transport, food, accommodation, equipment and instructors is approximately £170, with the hope that this cost can be reduced with fundraising. The balance is required in full by Monday 20th April, but can be paid up in instalments until then.

The children will have the chance to spend 3 days participating in a variety of sports and activities with specialist instructors utilising world class sports facilities, as well as a stay at the newly refurbished **Inverclyde Sports Centre, Monday 27th – Wednesday 29th April.**

Two members of staff will be accompanying the children who will be in contact with the school throughout the residential experience and Parents/Carers will be provided with updates on how they are getting on. Parents/Carers will **not** be able to make direct contact with their children or staff during the residential visit.

We will be holding an information session for the children and Parents/Carers prior to the residential visit (date to be confirmed), where a representative from Inverclyde will explain the activities that they will be participating in, the recommended list of clothing and footwear as well as general expectations for the visit.

Please complete and return the form below by **Friday 28th February.**

Yours sincerely

Andrew
Head Teacher

Primary 6/7 Residential visit - Inverclyde Sports Centre - Mon 27th – Wed 29th April 2020

Name _____ Class _____

I would like my child to attend the residential visit

Signed _____ (Parent /Carer)
