After School Homework Club for P3-7

Dear Parents /Carers,

Homework forms a very important part of your child's education as it is a means of reinforcing vital concepts. It is also a crucial part of the parental partnership as it provides an opportunity for you to share in and support their learning. At Dailly Primary School, we recognise that often Homework can be a struggle to complete at home for a variety of reasons.

To help support your children, I am offering an **After School Homework Club for P3-7** on a **Tuesday at 3pm – 4pm**. If you would like your child to attend these sessions, they will run for 6 weeks from **Tuesday 5th November to Tuesday 10th December**. Spaces are limited to 20 pupils and will be offered on a first come first served basis.

Parents are welcome to come along and join us at any time during the six weeks. This can be particularly useful for learning strategies to support your child with their homework.

Please complete and return the slip below if you wish your child to attend.

Yours sincerely,

Jenna Speirs
Class Teacher
