<https://www.muzzybbc.com/learn-french-kids>

We have been learning words for objects around and inside our homes, for example, door - la porte.

Use post-it's or labels to label different objects around the house and garden. You can use google translator to check for spelling and pronunciation.

Twitter

Keep an eye on twitter as Mr Woods will be posting fun challenges for you.

He will also be posting a weekly Science challenge. On Monday you will be given the list of materials and equipment you will need to gather before the challenge is set on Thursdays. Over the weekend you will be asked to think about a series of questions resulting from the challenge which you can answer before Mr Woods explains the science the following Monday.
