How to get the best
out of family life

Thursday 7th September 2023

Dear Parents /Carers.

Family Links

We are hoping to run a special nurturing programme for parents/carers to provide practical information as well as an opportunity to meet other parents and have a chat and a cuppa. Children are rewarding, stimulating and fun, but looking after them can be stressful and challenging. The Nurturing Programme helps deal with those challenges so that you can have a calmer, happier life.

We have attached a leaflet to provide you with more information about the *10 week programme which will take place in the Community Centre on a Monday 11th September from 1-2.45pm*. It will be run by Fiona Dailly (Nurture Support - South Ayrshire Council) who is very experienced in supporting young people and their families with everyday challenges. It will be very informal but hopefully helpful to all parents/carers with children of all ages. It would be great to see as many people participating in this as possible.

Please can you reply to the text message to confirm if you are interested in attending.
