Thursday 21st September 2023

Dear Parents /Carers.

As you will be aware, GMB, Unite and Unison have voted to take strike action which appears to be going ahead next week on Tuesday 26th, Wednesday 27th and Thursday 28th of September and as such we are **required to plan home learning the children from P1-P7**. If there is any further communication from the Unions we will endeavour to update you.

Staff affected includes cleaners, janitors, pupil support staff, administration staff, technical staff and catering staff which means that schools and Early Years Centres cannot open safely for the children.

Teaching staff have prepared an overview and a small pack of suggested activities for the children to complete during these three days. These activities are mostly reinforcement of their previous learning so the children should be able to complete them independently or with some support.

The children should bring these back to school when they return on **Friday 29th September**. The activities will be discussed and followed up with their Class Teacher.

We appreciate that home learning can be very challenging. Try to support your child with the tasks as best you can and please contact us through the learning journals app or via e-mail if there are any further support we can provide.

Swimming and Outdoor Learning

Primary 3 was supposed to be starting their block of swimming lessons next week. Their lessons will now commence on Thursday 5th October and finish on Thursday 23rd November.

P6 and 7 were also going on their first outdoor day with ACE so we have contacted them to re-schedule their activities and will inform parents as soon as we have confirmation of a new date.

Please remember that the school will also be closed on Friday 22nd and Monday 25th for the September holiday. We look forward to welcoming all children back on Friday 29th September.

Yours sincerely

Louise Morrison
