Friday 29th September 2023

Dear Parents /Carers,

We have planned an educational outing to Dumfries House on Wednesday 11th October for Primary 4 and 5 where they will be visiting the farm and get first-hand experience of animal welfare, sustainable farming practices and develop knowledge of food production systems and how to eat well. They will also get to spend time with various animals including cows, sheep, geese, ducks, turkeys, hens and pigs.

The cost of the outing is £4 per pupil plus travel but this is being covered by the school. All pupils will be travelling by minibuses which will be driven by Mr Deans and Mr Woods and will be accompanied by Mrs Kirkwood and Mrs Eaglesham.

All children will require a packed lunch and the school will order lunches for the children. The children should wear their school sweatshirt as they will be representing the school but can wear casual clothes and footwear suitable for exploring the farm. A water proof jacket is advisable.

Please reply to this message or email the office on dailly.mail@south-ayrshire.gov.uk in order for us to receive parental permission.

Yours sincerely

Louise Morrison
