

We are looking to refresh our playroom wall display and fill it with all of the children's achievements.

This can be anything from making a lovely picture, doing something kind, trying new foods, going to the toilet or doing well at out of school clubs/ lessons.

Please fill in below any achievements your child has had to allow us to celebrate in the EYC. If you have any photos of your child's achievement to share that we would be able to use as part of the display please hand them to a member of staff or alternatively send to [daily.mail@south-ayrshire.gov.uk](mailto:daily.mail@south-ayrshire.gov.uk) You can also use the message feature on the Learning Journals app.

Thank you 😊

### Lending Library & Home Links Bags

We would also like to remind you that our Lending Library basket is available in the EYC foyer and we would like to encourage the children to share stories at home as much as possible to improve their concentration, communication and vocabulary. Just sign out your child's chosen book on the sheet provided and sign in it back in when you are finished and ready to enjoy another.

You will also find our coat stand filled with Home Link Bags in the EYC foyer too. These have an array of excellent resources for you to share learning with your child at home and cover many different themes. These bags also give the children opportunities to showcase what they know with you. The activities are designed to be short and captivating. Please sign out and sign in on return to help us keep track of resources.

### Stay & Play

Should anyone been unable to attend our recent Stay & Play session then we are happy for you to arrange to come in on a day that suits. Please speak to staff to arrange.

Should you have any comments or suggestions on how we can improve then please speak to staff (if you prefer to do this discretely there is also a comments/suggestions box in the foyer area too). We always want to keep on learning/improving and doing the very best for each individual child in our care.
