Summer Nature Hunt & Collage Activity

Dear Parents/Carers,

Here's a fun summer-themed activity for you and your child to enjoy together at home or outdoors. It's a great way to explore nature, get creative, and make summer memories! What to do:

1. Go on a Summer Nature Hunt

Take a walk with your child in your garden, at the playpark or around the village. Have your child collect safe and natural items such as:

- Leaves
- Twigs
- Flower petals
- Feathers
- Grass

2. Make a Summer Collage

Use a large piece of paper or cardboard. Help your child:

- Arrange and glue/stick the items to create a collage.
- Talk about what you found and what your child liked most.
- Add drawings, stickers, or paint if you'd like!

3. Share Your Creation

Take a photo of your collage and send it the Early Years Centre via your child's Learning Journal or via dailly.mail@south-ayrshire.gov.uk by Friday 21st June 2025. Alternatively bring it in to share with us. We'd love to display it on a Summer Wall of Fun! 😊

Yours sincerely

Louise Morrison
