

# Dailly Early Years Centre Newsletter

## August /September 2025

Term 1 is certainly flying by, we have been back for 7 weeks already and we have only 1 week left before the October holidays. We have had a busy start to the term with all of the staff and children getting settled into their new classes and parents joining us for our first open day. It was lovely to see such a good turn out of parents/carers, the children really enjoy it when their parents or family members come into work alongside them. We appreciate that not all parents can make it due to other commitments but we do try to offer lots of opportunities throughout the year for you to be part of your child or children's learning.

### Parental Communication

We are continuing to use Facebook to share highlights of the learning going on throughout the school and to remind parents/carers about forth coming events.

We will continue to upload all letters and important correspondence to the BLOG in addition to sending them via e-mail. This hopefully makes it easier to check on dates with all of the information in one place. There is also a section for each class, and you will find current information relating to your child's class, with updates from last term.

Recently added highlights include: [The Celebration Assembly with Term 1 highlights.](#)

Please visit our BLOG using the link below :

### Learning Journals

We are using Learning Journals to share your child's work and achievements. Most parents are now linked with their child's profile but if you are not, please contact the school and we can assist. Each parent can view their own child's work. This provides parents with more regular information and the opportunity to share any learning that their child has been involved in at home.

**Please use the Learning Journal app only for sharing achievements and not for communicating about illness and absence. Parents/Carers must still contact the school office as staff do not check the app throughout the day or out with school hours.**
