15th May 2026

Dear P7 Parent/Carer

P7 Transition – Come and Experience Secondary School!

As part of our exciting P7 transition programme, we are delighted to invite P7 pupils and their parents/carers to join us for a special in-school experience! This is a fantastic opportunity to step into secondary school life and take part in a lesson led by our subject specialists. You'll get a real taste of what learning here is all about!

- Date:** Tuesday 16th June
- Time:** 4:00pm – 5:30pm (1 hour lesson followed by refreshments and a Q&A session)

We have a range of engaging sessions on offer, including:

English - Create and have fun with poetry in this hands-on session! You will learn the Art of Haik, short poems with big meaning, then bring your words to life by turning them into creative 3D designs.

Science – A flaming, shocking and virtual tour of Science at Girvan Academy

Home Economics - Parents and pupils will collaborate in an engaging session, preparing a colourful stir-fry while demonstrating teamwork, enthusiasm, and active participation in a positive learning environment.

Computing – dive into an exciting, hands-on experience where parents and pupils explore the incredible possibilities of AI together, building a fun and engaging system that brings this amazing technology to life!

Music - Parents and children will come together for a lively and engaging music session, bursting with energy as they explore rhythm, create sounds and perform as a group (minimum 4).

Please either complete the slip below and return during the 3-day visit (9th – 11th June) or scan the QR code to make your top 3 selections.

We look forward to seeing you at this exciting event

Yours sincerely

Marion Hutchison (PT Guidance)
