A Note from Mrs Thomson

Dear Parents and Carers,

I hope you all had a good October holiday. As the school year progresses, we are excited to share updates and highlights about what has been happening at Dalmilling along with any general updates, upcoming events and tips to support your child's learning and well-being.

It's with mixed emotions that I announce some staffing news. Mrs McTaggart will be leaving us at the end of November to embark on a new role as Depute Head Teacher at Ayr Grammar Primary. Mrs McTaggart has been a valued member of the Dalmilling team for 12 years. Throughout her journey with us, she has made an immeasurable impact with her dedication, building strong relationships with our children and families, and always going above and beyond in her work. While we are truly saddened to see her go, we know that Ayr Grammar Primary is incredibly fortunate to gain her talents. We'll miss her, but we wish her all the best as she steps into this exciting new chapter. In the coming weeks, we'll be planning a special celebration to show our appreciation for her hard work and commitment at Dalmilling. Please join us in wishing her every success in her new role. We know that Mrs McTaggart has worked closely with many of you, and I would like to reassure you that you will continue to be supported.

Jane, our Lollipop lady, will be retiring at the end of October. I would like to say a huge thank you to Jane for the role she has played in keeping our children safe when crossing the road and her hard work and commitment to the Dalmilling community. Jane is currently absent from work but will be visiting us at some point for a special assembly to allow us to show our gratitude to her for her years of service.

As always, if you would like to discuss anything, please get in touch. Thank you for your continued partnership in your child's education.

Kind Regards,

Mrs Thomson

September Update

The whole school took part in a competition to design a Halloween poster for the upcoming disco.

Vinnie Kelly and Cole McConnell were the lucky winners and their posters are now on display throughout the school.

Halloween disco tickets are now on sale and can be purchased from the office, Caitlin Lawrie or Laura Scott.

Caitlin, our chairperson, has recently met with house captains from Primary 7 who have expressed their wishes to work alongside the parent council to generate ways of fundraising which can contribute to improving the school playgrounds and the equipment within each playground. We are keen to help and information on upcoming fundraising events to support this will be announced in due course.

South Ayrshire Communication Friendly Environments

- We are delighted to share that we were recently awarded our South Ayrshire Communication Friendly Environment badge – and are only the second school in South Ayrshire to achieve this.
- Our hard work into creating calm, nurturing and inclusive classrooms was recognised by the team who visited us. They commented on how welcomed they felt by pupils and staff.

Halloween!

On Thursday 31st October our P7 children will be having a Halloween Fayre, where they will have the opportunity to take part in Halloween games and activities. Class teachers have also planned some Halloween themed activities.

Children should wear school uniform for the day of Halloween.

Children in Need

On Friday 15th November we will be supporting Children in Need.

Pupils are invited to dress down or dress with a Children in Need theme and bring a donation. We will have a special assembly and activities in classes for Children in Need.

Remembrance

Our Primary 7 pupils will be going round the school over the coming week with poppies for The Scottish Poppy Appeal, who provide support for current and former members of the Armed Forces as well as their families. This support is in recognition of their sacrifices and service. A small donation would be appreciated.

A huge thank you to everyone who participated, supported and donated money.

Coffee and Chat

We have had a further 2 Coffee and Chat meetings with our parents. We have had a good turnout so far and we would encourage you to come along and join us for a coffee.

Family Movie Night

A huge thank you to everyone who supported our family movie night on Thursday night. We had nearly 100 people who attended!

Thank you to the Parent Council who organised the snack bar and tea and coffee.

The next movie night will be Thursday 19th December at 6pm.

Highlights

Primary 7 are working alongside Thriving Communities and the Gaiety on a Pantomime Project developing their performance and communication skills.

Our handball club recently attended an event where they had huge success playing competitively with other schools.

Our athletics club recently attended an athletics day where they were able to participate in a range of athletics events.

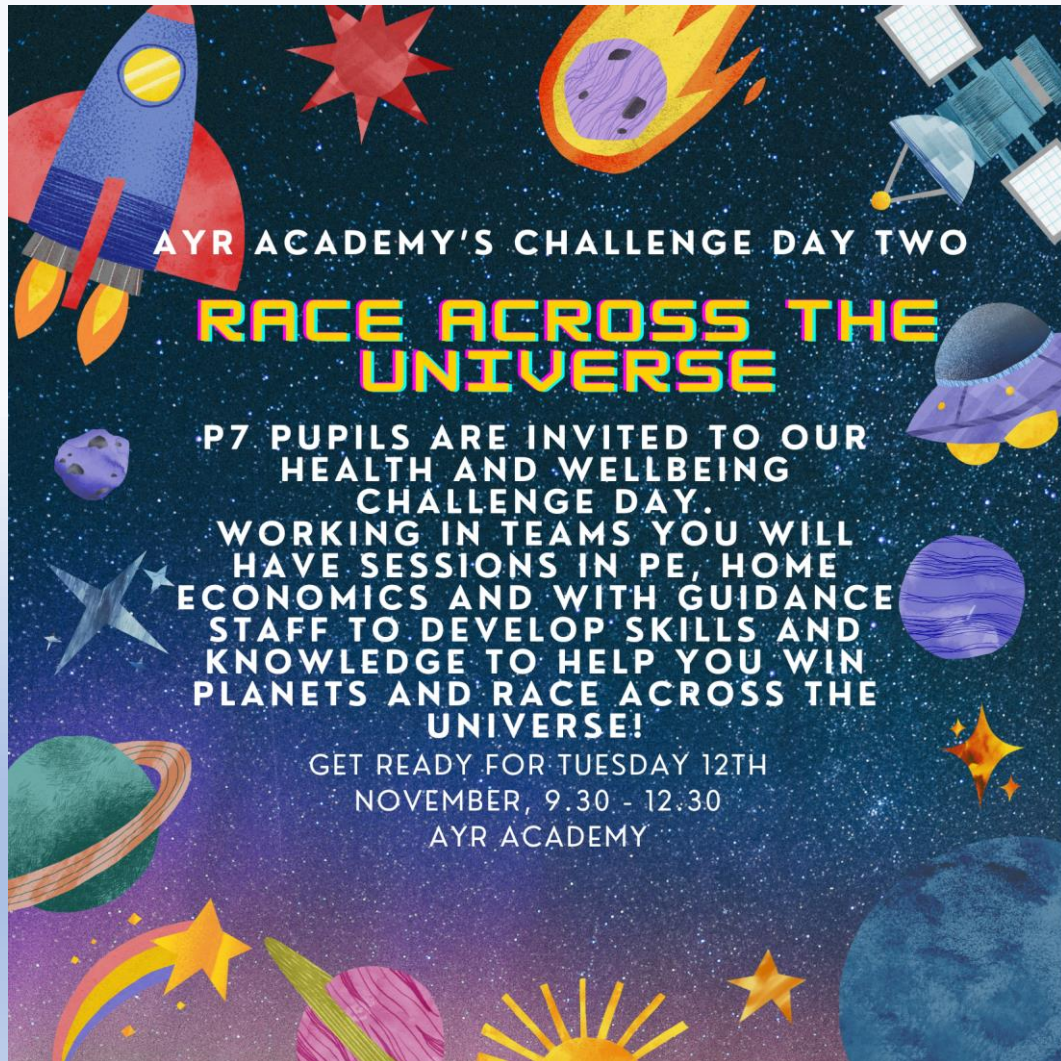

Primary 7 enjoyed their first challenge day where they participated in a range of activities. These visits across the year support the transition to Ayr Academy.

P4-7s participated in the National Poetry Day Guinness World Record Attempt to beat the record for the Largest Poetry Lesson – this might be worthy of the newsletter! We're still to hear whether we broke the record or not, but the poem that we co-created with Laura Mucha can be found here: [What Do You Think Counts? - The Children's Poetry Archive](#)

October 2024

Issue 2

Welcome to issue two of Ayr Academy's Transition Newsletter.

Challenge Day One on the 8th October was a great success! Primary pupils took part in activities across our Creative and Expressive Arts departments and had a brilliant day. In a survey pupils reported that they enjoyed their learning and scored the day as 8.4 out of 10. 😊

Music Technology introduced pupils to Audacity, skills that primary staff are already planning to utilise for assemblies. Music taught ukulele, Art sessions taught our values at Ayr Academy through line drawing. In drama young people enthusiastically participated in acting based workshops- despite what it looks like, no one was injured during the day!

We are looking forward to seeing Primary 7 pupils again in November for Challenge Day Two!

Ms Dunstall
DHT Transitions

Learners with Additional Support Needs

Primary schools share staged intervention information with Ayr Academy prior to young people joining us in August. The transition meetings for young people with ASN have already begun and Ms Dunstall attends these meetings at primary schools. We use staged intervention information to make sure staff at Ayr Academy are aware of individual pupil needs. Ayr Academy Pupil Support staff work with departments across the school to ensure young people receive relevant interventions including support for dyslexic learners and LIAM (Let's Introduce Anxiety Management). We have a number of resources to assist our young people with ASN including our Pupil Support Base and Communication Class to support learners with neuro divergent needs. Enhanced Transition is available for young people who require additional time/provisions to support their transition into Ayr Academy. These sessions began for some pupils prior to Challenge Day One. Primary staff will liaise with families where young people require Enhanced Transition. This programme varies upon individual needs. Please do not hesitate to get in touch should you have any queries about your child's transition.

Supporting Your Child at Home - Reading

Thank you to everyone who came to our “I Read, You Read” event. Miss Campbell talked to parents and carers about our approaches to teaching reading. All parents have been sent an information pack giving information about these approaches.

Here are a few tips to help you with your child’s learning at home:

- **Create a Homework Routine:** Set aside a quiet, distraction-free time and space for your child to complete their homework. Consistency helps build good habits.
- **Encourage Reading Every Day:** Whether it’s a book, a magazine, or even a comic strip, reading daily improves literacy skills and comprehension. Take turns reading aloud or ask your child to summarise what they’ve read.
- **Talk About Their Day:** Show interest in your child’s school day by asking specific questions like, “What was your favourite part of today?”

Mental Health and Wellbeing Support

It's important that children and young people have access to information about mental health and wellbeing, and services that can help them when they need it.

South Ayrshire Council has a dedicated website with links to all the support services available in South Ayrshire.

[South Ayrshire Community Mental Health Support](http://southayrshirecmhw.co.uk)

Is your child a Young Carer?

Could they be eligible for more support and opportunities to activities?

A young carer is anyone who cares, unpaid, for a family member, friend or member of your community, regularly and on a long-term basis. You might help someone get dressed in the morning, or get their shopping each week, or you might provide emotional support.

If you think your child is a Young Carer or you would like more information about this, please contact Mrs McTaggart via the school office.

These are just some of the activities/support Young Carers had opportunities to last year.
