

NEWSLETTER

November

Dear Parents and Guardians,

Welcome to P3/4's monthly newsletter for November. We have had a very busy month and we've been working hard. Our newsletter will share some highlights with you.

Classroom Highlights

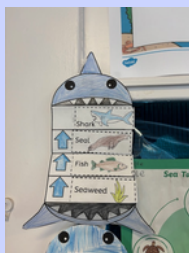

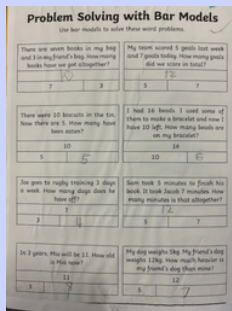

Literacy:

To help us build fluency in reading, we have been taking part in a Reader's Theatre. Each small group has a scene to read and perform. We will then put then perform this as a class.

Math Fun:

We have been working hard to solve problems using bar models. This helps us to see the relationship between addition and subtraction and use this to solve various different problems.

Topic:

We learned about under the sea food chains and created our own foldable shark food chain.
