

P3/4A

NEWSLETTER

October

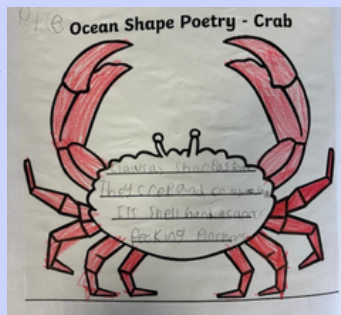

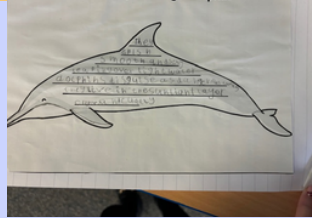

Dear Parents and Guardians,

Welcome to P3/4's monthly newsletter for October. We have done lots of exciting things so far since starting back after summer. Our newsletter will share some highlights with you.

Classroom Highlights

Literacy:

We have been learning about shape poetry and wrote our own ocean themed shape poems. We brainstormed lots of different adjectives and similes to include.

Math Fun:

We have been participating in 'Maths Week Scotland' and exploring maths in different ways.

Music:

We have started our music sessions with Miss Begg which will take place every Tuesday morning. So far we have focused on keeping a steady beat. We are looking forward to learning more!

Colour Run

We had the best time participating in our sponsored Colour Run event!

Hot Chocolate Friday

Our hot chocolate Friday pupils have been:

- Jack Faulds
- Poppie Flemming
- Cody Ramage
