

P7R OCTOBER NEWSLETTER

LITERACY

Every week in literacy, we have been writing extended pieces in a variety of genres. For Roald Dahl Celebration Day, we each wrote a poem based on George's Marvellous Medicine.

We are continuing to work hard on our phonemes to support us with our spelling and reading. P7 are striving to read every day in class, whether that be through our accelerated reading book or listening to an audiobook.

MATHS

We have been focusing closely on addition and subtraction over the last couple of weeks, where we have been using a variety of strategies to help us solve different calculations.

During Maths Week, we created curves using straight lines. These designs are called Parabolic Curves. We have created an art display using our work. They look amazing!

COLOUR RUN

A huge well done to all pupils who took part in our Dally Colour Run on Thursday 19th September. Everyone looked like they had a great time, and hopefully we raised some money for the school funds. P7 pupils were a great help to Miss Toner and Mrs Rorison.

MUSIC

Both P7 classes have been working with Mr Thomson every Thursday afternoon on a selection of Disney Songs. We will be performing these both at Dalmillig Primary and Ayr Academy in December. Pupils are encouraged to practice the lyrics and dance moves at home.

UPCOMING EVENTS

Tuesday 8th October

Ayr Academy - Challenge Day 1
Focus: Creativity and Expressive Arts

Thursday 31st October

P7 Pupils will be setting up and running the annual Halloween Spooktacular Fayre for the whole school.

HEALTH AND WELLBEING

Miss McNicol has started an 8 week HWB programme of lessons on Cognitive Behavioural Approaches to promote positive mental health and wellbeing. The programme seeks to give pupils a toolkit to promote their own wellbeing which should be beneficial for their upcoming transition to Academy.
