SEPTEMBER

LITERACY

We are working on poetry writing with an autumn theme- using different parts of speech to add detail and description. We are also answering a range of questions about stories that we have read, using Bloom's Buttons. Our focus phonemes will be: 'ou/ui', 'or/ar', 'nn/gn/kn' & 'sh/ch'.

NUMERACY

We have been participating in Math Week Scotland, where we have created a grid tree picture using pattern, read 'A Place for Zero' and learned how to read and write numbers up to 10,000, and partition larger numbers into thousands, hundreds, tens and ones.

TOPIC

Our topic is The Human Body. So far, we have introduced the topic and the main body systems. We will continue to explore these in more detail.

HIGHLIGHTS

August & September Hot Chocolate: **Well done to Cole, Poppie, Bonny, Aliayah & Accalia.**

We thoroughly enjoyed taking part in the Colour Run sponsored event. We also had a visit from the Crosshouse Children's Fund, who spoke to us about what it is like to be a child in hospital, and showed us some of the equipment that they use.

COMING UP

MONDAY 6TH & TUESDAY 7TH OCTOBER

School photos

TUESDAY 7TH OCTOBER

Flu immunisations

MONDAY 13TH - FRIDAY 17TH OCTOBER

October Holiday- SCHOOL CLOSED
