September

Our Learning

Literacy:

In writing, we have been focusing on the key components of sentence structure: using capital letters, full stops, and finger spaces. We've also been exploring the story of The Three Little Pigs, which the class has really enjoyed—especially creating the sound effects!

Numeracy:

We have been working hard on place value and have just completed that topic. We are now learning about shapes and number bonds.

Topic:

Our current topic is Under the Sea. We can name lots of different sea animals and have learned about ocean pollution through stories. We now know what should and shouldn't be in the ocean and how we can help protect it.

Highlights

August/September hot chocolate:

Karson, Mason, Rhea, Max, and Braden.
Colour run.

Reminder

Daily Reading:

Monday 6th & Tuesday 7th October
– School photos
Tuesday 7th October – Flu immunisations
Friday 10th October – School closes for October holiday
