- Welcome – **GM**
- Minutes from June 2025 - agreed.
- Actions from last meeting
 - Sourcing school badges/uniform supplier – LCS have approached re doing uniform at better rates/local delivery. This needs school agreement. Information will be sent to SF.
 - Badge it machine – different options for doing this. It would be good to find out the difference between using this service or LCS. It may allow more items of uniform to be embroidered. To find out costings – cost of machine and maintenance. CC
