

Dundonald Primary School and Parent Council
Sponsored Coloured Run – Friday 25th September 2026

Information for Parents and Carers

Event and Date	Children in Dundonald PS are invited to join in with our sponsored 'Colour Run'. The Colour Run will take place in our school grounds and will include a fun run around an obstacle course. At different points along the route, there will be colour stations where adults will carefully throw coloured powder as the children run past. There will be an optional water spray for the children to run through. The focus will be on having fun, being active and joining together as a Dundonald Primary family to fundraise. All of our classes are very excited about it! All funds raised will subsidise the cost of our visit to the Pantomime 'Beauty and the Beastie' at the Galleon in December. The Colour Run will take place from 2pm-3pm on Friday 25th September in our school grounds.
What to Wear	Children are asked to come to school wearing: ✚ an old, white t-shirt or top, old shorts/jogging bottoms/old leggings, old jacket and old trainers. (An old white t-shirt or top is recommended as this will show-up the paint colours more effectively. The weather may be cold so the white top/t-shirt could be worn on top of an old sweatshirt or hoodie.)
What children should bring to school:	Children should bring: ✚ sunglasses or old swim goggles to protect their eyes from the coloured powder. The adults throwing the powder will only ever throw this at waist height, however, some of the powder may be caught by the wind. ✚ water bottle labelled with their name ✚ snack for morning break in their jacket pocket or disposable food bag labelled with their name ✚ packed lunch (if required) in a disposable food bag labelled with their name What <u>not</u> to bring: To make it easier for the children at the end of the school day (when they are likely to have coloured powder all over their clothes) please may we ask that they do not bring their school bag or their packed lunch bag on this day?
Arrangements for Home Time	Adults collecting children in at 3pm on Friday 25th September may wish to bring the following for children to wear on top of their clothes for the way home (the children will be damp and covered in coloured powder): ✚ old dressing gown or old onesie ✚ change of shoes / sliders / wellington boots ✚ old towel for car (if driving) Children in P4-P7 classes who are walking home on their own may wish to bring a carrier bag to school, labelled with their name, containing the items above. From speaking with children and staff at other schools who have participated in Colour Runs, part of the fun is walking home at the end of the day wearing clothes splattered with coloured powder!

Our sincere thanks to our Parent Council for their help with organising and running the Colour Run event.

As always, if you have any questions, please do not hesitate to telephone our school office or speak with Mrs Paterson or Mrs Kerr at drop-off or pick-up time.

Yours faithfully,

Fiona Paterson

Head Teacher
