THE WEE CLASS NEWSLETTER

WELCOME BACK

This year The Wee Class is made up of 15 children across Primary 1, 2 and 3. We are a play-based classroom and have a mix of adult-led, adult-initiated and child-led learning experiences throughout the week.

Mrs Martin is the class teacher, however, we are lucky to have the experience and expertise of various teachers who will support the children with their learning across the curriculum. Mrs Hamilton will teach Science and Mrs Holland will teach some aspects of Maths, handwriting and outdoor learning. Mrs Coleman is our Music Specialist and Mrs McDonald is our P.E. Specialist.

NUMERACY & MATHS

This term Mrs Martin is teaching all about number! P2 and P3 are focusing on place value as well as ordering and sequencing numbers, before we move on to addition. P1s are focusing on correct formation of all numbers to 10 as well as counting and estimating numbers.

Mrs Holland is teaching us about symmetry and pattern.

LITERACY

Our Talk 4 Writing model text this term, is The Sheep and the Goat. We have been enjoying learning this text together using actions.

In phonics lessons, we learn new sounds each week to support us in learning to read and spell.

Please send Phonics and Spelling home work jotters or Sound Bags for P1s to school on a Thursday so new learning can be added.

Thank you!

FISHERTON PRIMARY SCHOOL ETHOS

At Fisherton Primary, a strong whole-school ethos is really important to us. We aim to bring children across the school together regularly throughout the week.

Ways in which we do this include:

- Masterclasses on Wednesday afternoons
- Whole-school assemblies on Thursdays
- Committees (fortnightly on Fridays)
- Shared Reading (fortnightly on Fridays)
- Joint Outdoor Learning days and school events

P.E. DAYS

MONDAY
and
FRIDAY

LEARNING JOURNALS

This session we will be introducing 'Learning Journals' to replace SeeSaw. We are in the process of creating accounts for each pupil and will begin using these to share learning after the September Weekend.

Please look out for your child's individual login which should be sent home soon!

CONTACT
