THE WEE CLASS NEWSLETTER

TERM 2

We have already had a busy start to the new term.

The children in the Wee Class demonstrated how respectful and responsible they are when they took part in the school's Remembrance service.

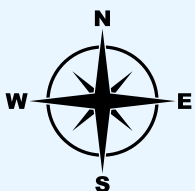

Now our attention has turned to Christmas as we prepare for our Nativity performance...watch this space!!!

NUMERACY & MATHS

In term 2 we are all extending our knowledge and understanding as we work with a larger range of numbers. P1 have been exploring the concept of addition by investigating different Number stories to 10. P2s are working with numbers up to 100 and P3 are adding and subtracting using 3-digit numbers.

Mrs Holland is teaching us about direction and movement.

LITERACY

We will have a focus on Talking and Listening this term as we practice our parts for the Nativity.

In class we have been looking at non-fiction writing and completed research about wolves. We made notes from our research and then used these to write our own reports about wolves. P1s wrote facts about wolves.

Over the next few weeks we will be creating Christmas characters and settings during writing lessons.

DECEMBER FUN

We have a very busy December coming up! On Friday 15th we will have our Christmas lunch which will be followed by a Santa Dash around the playground. Pupils are encouraged to wear Christmas jumpers and Santa hats for this. We will also spend the afternoon reading Christmas stories together with some hot chocolate! On Thursday 21st, with help from the Parent Council, we will host a Whoville Christmas Breakfast and will spend the day doing Grinch-themed activities and watch the The Grinch movie. Pupils are invited to wear PJs and bring a blanket/pillow into school for this.

LEARNING JOURNALS

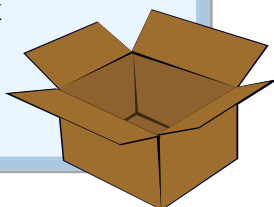

We have started using 'Learning Journals' to share learning with parents and carers. Most pupils now have a family member connected and we can see that many of you are able to view your child's learning. Please let us know if you are having any issues and we will happily support you :)
