Headteacher update

Positive psychology

P6/7 taking part in Positive psychology. This term the children are learning about Health and Wellbeing. These sessions are being taught by the school's Educational Psychologist.

Academy transitions

The management teams from the academy are visiting the school to enhance the transition process.

Parents will be invited to a parent teacher meeting at the academy before transition.

A P7 disco will be organised so all pupils can meet . Proposed date 27th march after school hours. Parents will be required to transport.

Bump up days to academy dates are still to be confirmed.

Burns competition

Burns competition to be held in the school on 2nd February. Independent judges will attend.

The winners will receive a book.

Science centre

All pupils will attend Maidens Primary on 7th February to attend a morning with the science centre. The afternoon will be outdoor learning for the wee and big class. The nursery will join Maidens in the nursery playroom.

Dolphin House

Dolphin house was a positive experience and enjoyed by the pupils.

School looking for alternatives for the next trip. Mrs Campbell is going to look into local alternatives and get pricing.

School Lunches

School Lunches continue to be supplied by Doonfoot Primary

A new Catering Assistant has accepted the post. Start date has not yet been confirmed.

Leavers Hoodies

The P7 hoodies were a great success with pupils selecting there own colours and designs.

Thanks to LCS workwear on supplying and embroidering the hoodies.

Staff Training

A new law has been passed by the government on Rights Respect in School. The staff will attend training in february and this will be rolled on within the curriculum.

School files

The school are currently doing a migration of all shared drive school documents over to

teams. This will be completed before June.

Football Team

The football team training will begin on the 1st March.

Parents meetings

The next parents meeting evening will be on the 18th March

New learning programme

A new learning programme called PATHS created by Barnardos will be incorporated into the curriculum for all children nursery to P7.

Recent storm damage

After the recent storms a plastic storage container was damaged.

The school has managed to secure a metal storage container for the car park. The school is awaiting delivery of the container.

Outbuilding repairs

Following on from discussions at the last meeting Mrs Campbell has had an estimate for repairs to the outbuilding located in the playground. The school was looking to upgrade the building to use as a learning space for pupils. The cost to repair is £90,000. The building will remain as a storage building and other ideas are being explored.

Nature nook

The grant for the nature nook has been approved. The school will receive £1800.

Titanic experience

The P6/7 have been invited along with Doonfoot Primary to visit the Titanic Experience in Ireland. The cost of the trip will be £70 and will take place on the 8th June.

Parents association agenda

The parent council supported the nature nook with a £400 contribution.

Race night arranged for the 27th April

Pricing for Twinkle to be confirmed by school for the parents association to help fund for the next year.

Transport cluster to be discussed.

A big thank you to the community council for their Christmas donation.
