

# P1-4 CLASS NEWSLETTER

## TERM 3

### LITERACY:

In Grammar lessons, we will be learning about capital letters, nouns and verbs. We will be developing our comprehension skills by reading different types of texts and answering questions to show our understanding. Our writing lessons are based on our current Space Topic and further develop skills learned in terms 1 and 2.

### NUMERACY:

With Mrs. Holland we have been learning all about measuring length, weight and volume. We have enjoyed a number of practical activities to develop our measuring skills including baking. We are now moving on to a new topic of Money.

With Mrs. Martin P1 are learning about subtraction and developing their confidence in working with numbers up to 20. P2-4 are developing their multiplication skills and learning our times tables.

## ACROSS THE CURRICULUM

This term we are linking activities across the curriculum to our topic of Space. We have been learning all about the Planets, the Moon and the constellations.

We are continuing our weekly music lessons with Mrs Coleman and are also enjoying 10 x weekly sessions with Miss Green from South Ayrshire Music Initiative.

## CAN YOU HELP?

We are looking for the following items to enhance learning experiences:

- barbies
- barbie clothing/accessories
- wicker baskets
- lego characters

## PE

We are lucky to have visiting specialists in this term to provide a variety of experiences in P.E. Active Schools have been delivering Multi-sports sessions and Keira will be joining us for a block of Dance. We are also learning rugby skills where Struan is taking on a leadership role by sharing his skills.

## ONLINE LEARNING

We are delighted to have a new subscription for Sumdog which supports children's learning in Maths, Spelling and Grammar. Much of the Maths homework this term will be set through Sumdog.

We continue to use Giglets to promote reading for enjoyment
