

P567

LITERACY

This term, we are continuing to develop our spelling skills and phonological awareness through the Active Literacy Programme. Our writing will be closely linked to our topic, Space. We will practise note-taking and information writing as well as developing our story-writing skills, using Space as a dramatic stimulus! Our class novel this term is the thrilling adventure novel, "Kensuke's Kingdom" by Michael Morpurgo, which we will use to develop our reading and comprehension skills.

NUMERACY

This term, we will revise multiplication and division, before moving on to decimals and percentages. Thereafter, we will explore perimeter and area, followed by statistics. We will continue to build our confidence in numeracy through number revision, mental maths challenges and maths games!

Topic

Our topic this term is Space! We will be exploring our solar system, investigating the planets and finding out all about the Space Race! Through our topic, we will enjoy a number of exciting art and design experiences, including designing our very own planet and creating and testing our own rockets!! Whose will travel the farthest?!

Term 3

P.E.

The Big Class continue to enjoy P.E. We will be developing our Badminton and Tennis skills this term. We are also enjoying our Active Schools Spirit of Sport Programme which promotes positivity, resilience and healthy competition in team sports. Our PE days remain **Tuesday and Friday**.

Showtime!

The Big Class is currently rehearsing for two school performances, The Wizard of Oz Medley and School Daze. We would be most grateful if parents would be able to help with providing costumes. We will be in touch again soon with more details.
