WHAT'S ON

Literacy: This term we have a focus on phonological awareness, developing attention and listening skills, rhyme identification and syllables. Caper books have been issued to children to encourage reading at home.

Numeracy: We have been looking at positional language, pattern and symmetry. The children have been creating their own patterns using crafts and the interactive board.

First Names: We will be moving to a first name basis for staff in the EYC in line with other South Ayrshire Establishments. This enhances communication, builds stonger relationships, supports social skills and promotes confidence.

IN THE CLASSROOM

Health and wellbeing: The focus this term is incorporating the rights of the child into our daily routines. This is also being discussed at assembly weekly. We are encouraging the children to take ownership of their outside areas and carry out risk assessments daily to ensure safety for all.

Other curricular areas: There have been lots of arts and crafts this term with the valentines celebration and junk modelling to create our own ideas. The children have now decided they would like to make a Mcdonalds restaurant from junk.

Dates for the diary

Friday 28th Feb Full Day at Belleisle

Monday 3rd March PM in village

Monday 17th March PM in village

Monday 24th March PM in village

Friday 28th Mar Full Day in Dunure

Friday 25th Apr Full Day at Culzean

Monday 28th April PM in village

Thank you

Thank you to all the parents that attended our recent stay and play, we hope you enjoyed learning with your children. A very big thanks also goes to the parents/ carers and community that supported us with items we were looking for!
