## What We Learned

Term 2

### HWB

This term the children have been learning about keeping safe, we have introduced SIMOA the elephant that will help the children assess and identify risks. Our Right this month was 'I have the right to be safe'.

### Literacy

We used the ipads and Canva to create our own characters and bring them to life. The children decided what character they wanted and the scenery for the story. They then used directional arrows to code the characters to move.

In support of world book day all children have been issued with a task sheet with fun activities to encourage reading skills, Mrs Martin is arranging prizes for the children across the school that return their completed sheet in January!

### Numeracy

Following our digital input using resources from the SAC lending library the children have been talking about directional and positional language. They used directional arrows to assist in programming the robots to navigate along a mapped route.

### Nativity

Rehearsals are underway for our nativity and the children are doing really well. All children should have been issued with a slip for their part and should they require any specific clothing we will let you know shortly. It's looking like it's going to be a fun performance.

### Weather

As the winter weather approaches we would appreciate if all children can have wellies, gloves, hat and appropriate jacket daily to ensure that they are able to access the outdoors without being cold. After Xmas the children will be doing Forrest school on a Monday Morning and will return for lunch.

### Dates for your diary

- Fri 21<sup>st</sup> Nov- 'Booknic'/ stay & play
- Mon 24<sup>th</sup> Nov- Visit to Greenan Manor ( Car seats required)
- Wed 10<sup>th</sup> Dec- XMAS Peep 2.15PM
