

P1-3 TERM 2

LITERACY

As we continue on our South Ayrshire Reads journey, children will learn to decode (read) using our new Dandelion Readers. We will also be using "phoneme fingers" to help us segment words to encode (spell).

This term, we will have a big focus on Reading for Enjoyment as we work towards our 'Reading Schools' accreditation.

Our weekly writing will again link with our topic and we will cover a number of different styles. From writing packing lists to sending postcards and writing imaginative adventures from around the world.

NUMERACY

With Mrs Holland, we have been learning all about Information Handling - carrying out our own surveys, recording results and displaying them on pictograms and bar charts. We are now focusing on Time where we will learn to tell the time using digital and analogue clocks.

With Mrs Martin, we continue to focus on Numeracy skills. We have been learning about addition and doubling. We will be moving on to subtraction next.

TOPIC

Our topic this term is 'Our Wonderful World'. We started this topic looking at our own local area before expanding out to our country and then the continents. In technology we are learning how to use digital maps. In P.E. we are enjoying trying different types of dance from around the world such as Bollywood and Flamenco. In Art we are learning about different styles of art such as Aboriginal dot art. In our role play corner we have set up a Travel Agents which has been very busy!

TRAVEL AGENTS

ROLE PLAY

NATIVITY

We've started rehearsals for our Nativity! These will take place during our usual Monday P.E. slot, so for Term 2, P.E. will now be on Fridays.
