What We Learned

Term 3

HWB

SIMOA has started his journey to stay with his friendswatch out for him coming for a sleepover!

PATHS Programme

The PATHS programme is used to teach children about emotions, behaviour and friendships. Mrs Martin has started delivering weekly sessions, using Twiggle the Turtle and friends to help us develop our understanding and skills.

Literacy

This term children are becoming storytellers, they are sharing experiences, acting out favourite tales and creating new characters through play. Through drawing, dictating and early writing, they are learning how stories work, building confidence, vocabulary and creativity as they discover their ideas and voices matter.

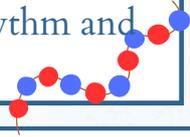

We have been exploring syllables by clapping, tapping, and counting the beats in words. as they break names and familiar vocabulary into parts they are strengthening listening skills, and building early reading foundations.

Numeracy

The children are exploring pattern by recognising, creating and repeating them in playful ways. Using blocks, bead, colours, movements, and sounds, they are building sequences. This supports problem solving skills, attention to detail, and early mathematical thinking- discovering rhythm and order that patterns bring.

Our PEEP block is underway, hopefully all families are enjoying the sessions and learning with their child. Becky will issue a survey at the end of the block for feedback to ensure we are continually meeting the needs of the learners and families. Thank you for your co-operation as always. Thank you to Gary for allowing us to have the opportunity to explore his tinker table where children can become curious creators and problem solvers. using loose parts, tools and recycled materials they explore how to fit things together, move and change. as they design and rebuild this strengthens fine motor skills, creativity and perseverance while learning that a little risk taking can lead to exciting discoveries.

Dates for your diary

- Tues 3rd Mar - Alloway library (Car seats required)
- Thu 5th Mar - PEEP 9am
- Mon 30th Mar - Carehome PM (Car seats required)
- Thur 2nd April -Finish for Easter holidays
- Mon 20th April Return to school
