Dear Parent/Carer

### MAYBOLE COMMUNITY CAMPUS

Police Scotland have asked the Council to consider including facilities for their use within the new Maybole campus project. This is to replace the Police office at Ladyland Road, which is no longer suitable for modern policing needs. The Council have agreed to the proposal, subject to the necessary consents and an application to the Planning Department will be made shortly.

The office will be used by Police Scotland as a staff base with public access arranged primarily by pre-arranged appointment. The premises will not accommodate any detained or arrested persons or be used for any formal interviews under caution. It is hoped that office will assist Police Scotland to better integrate into the community, and be more visible and accessible to all areas of the community.

The proposal is to incorporate the police office into the pavilion building, with its own independent entrance so the Police Scotland staff will not need to enter the main campus building.

The amended designs for the campus which include the police office will be made available on the Council's website at <https://beta.south-ayrshire.gov.uk/article/28226/Maybole-Community-Campus>

Yours sincerely
