

Family Maths Workshop

We would like to invite you to a **Family Maths Workshop** on **Tuesday 7th March 2023** at **9.15am – 10.45am**. This is open to all P1-P7 parents and carers. It is an interactive workshop and an opportunity for you to learn more about South Ayrshire's approach to delivering numeracy and math across the authority and to experience how it is taught in our classrooms.

Mr Scott Morrow, Numeracy Development Officer for South Ayrshire, will lead the session which will be held in the school gym hall. The morning will start with a 30 minute overview from Scott followed by 30 minutes with your child participating in problem solving activities before finishing off the presentation for approximately 20 minutes. Parents and carers should go directly to the gym hall where there will be tea and coffee waiting for you on your arrival

Please complete the form <https://forms.office.com/e/tUvCXLMpbu> if you are able to attend this fun session next week. Thank you!
