

Girvan Primary School

Parental Engagement Policy

At Girvan Primary we want to ensure you are kept up to date with what is happening in school and have the opportunity to visit the class. Through feedback, parents have previously expressed that they feel they do not have an overview of the level their child is working at.

This session we aim to fully involve parents in the life of the school through the following opportunities:

Event	When	Year group
Meet the Teacher	Aug 22	Whole school
Learn Together Event (maths)	14 Sep 22	P4-7
