

# Buzzbee's news about P7

## What are we learning this term?

### Maths

We will begin every Maths lesson with a mental maths focus. Upcoming topics will be addition, subtraction, multiplying and dividing including decimals by 10, 100 and 1000, multiples, factors and prime numbers, estimating and number sequences, expressions and equations. Once a week we will be focusing on problem solving.

Children are encouraged to continue to practise times tables and other mental strategies at home as often as possible.

### Literacy

In both P7 classes, we will be focussing on the novel 'The Boy in the Striped Pyjamas'. This will link in with our Term 1 topic of World War 2. The children will develop their reading comprehension skills through this novel.

Taught Writing lessons will be once a week. This term the writing styles we will focus on are narrative, persuasive and recount.

### Interdisciplinary Topic: - World War 2.

Through this topic the children will learn about the Home Front, rationing, the Blitz and other important events that took place between 1939 - 1945.

In RME we will look at Pilgrimage.
