

Glenburn Primary School
News
March 2026

March is always a busy month. The children have been working on different STEM topics, enjoying our shared learning sessions and many of our pupils have been attending the Ayrshire Music Festival.

Congratulations to Orlagh P6A who was placed first place in the viola category at the music festival and to Angel P7A who was placed second. They had stiff competition as all the other entries in her category were all Glenburn Pupils!! Well done to all our pupils who were performing - as I said to them - they are all winners in our eyes!!

Next week our Ukulele Orchestra perform in the music making category (46 pupils in total) and our woodwind players also perform on Wednesday. Good luck to all our performers.

Holiday reminder:-

We finish for our Spring break on **Thursday 2nd April at 2.30pm** and return to school on **Monday 20th April at 9am**.

Have a lovely Spring break - hopefully the sun will shine 😊

Car Park Entrance

There have been reports of cars entering and exiting the car park during very busy times and not giving way to pedestrians crossing over the entrance hence making it very difficult for pupils and parents/carers to walk safely on Sherwood Road. A few cars have even mounted the pavement at the car park entrance and I am sure you will agree that this is really worrying for the safety of our children walking to school.

If, for any reason, you have to enter or exit the car park at busy times please be vigilant while pedestrians are crossing over the entrance.

Both St. Ninians and the Early Years Centre will be issuing the same message to parents/carers.

Please remember that the car park is only for staff, blue badge holders and taxis who escort pupils to school.

Remember to follow us on 'X' where our staff post lots of photos of learning and events.

Use of Fidget Toys

The trend at the moment is some pupils bringing in small fidget toys from home and/or blu tak. In some classes fidget toys have become the opposite of what they are intended for and pupils using them in class are completely distracted from learning and teaching. Therefore, the fidget toys are banned from the classroom and are only allowed for pupils who the teacher deems really needs them as they aid concentration for an individual at a particular learning point during the day.

Parent's Evening

Our parent's afternoon/evening is on **Tuesday 31st March**. Information has now been sent out regarding appointments and we look forward to seeing you on the 31st.

Shared Learning

Thank you so much to all our parents, carers and friends who joined in with our shared learning sessions. They were very well attended and lots of learning and fun was had. We have our final Shared Learning session on **Monday 23rd March** at **2pm** for our Primary 5 parents/carers.
