

## Steps to log onto Accelerated Reader.

(1) Login at the web address below:

<https://ukhosted89.renlearn.co.uk/7242920/>

This address with the number at the end is the unique number for Heathfield Primary. Remember that pupils need to log in at this address to access quizzes. The quizzes cannot be accessed through the parent site.

(2) Pupils will see the following screen and they add in their login and password

(3) Once logged on the following screen will appear.

(4) To access the quizzes when a book is completed pupils log in as described and then click on the "Accelerated Reader" tile.

(5) To find a quiz for a book you have read just type the name of the book into the search tab as shown below.

Please do not worry if there is not a quiz available for the book read at home. The most important thing is to be reading on a daily basis. We recommend 20mins/day. Please just do what you can.

Later this week you will be sent details of how to access online books from Accelerated Reader from a site they have opened up for us during school closures.

Please contact Mrs Livingstone either by phone (01292 612123) or email ([Heathfield.Mail@south-ayrshire.gov.uk](mailto:Heathfield.Mail@south-ayrshire.gov.uk) FAO Mrs Livingstone) if there are any problems accessing your account.
