THE FUTURE LOOKS BRIGHT AS OUR EYC AND P1-3 ARE SET TO RETURN TO SCHOOL ON THE 22ND

Nicola Sturgeon has announced that the EYC and P1-3 are set to return on the 22nd of February. This is great news and hopefully if all goes well, the older students will get back too. Meanwhile, P4-7 will carry on with their home learning and those who are entitled to a place in the hub, will continue to come to school.

Miss Sturgeon is cautious that if we all come back too quickly there

BACK TO SCHOOL Hooray

BY LAUHLAN MACLEAN & NEVE LANG

will be lots of cases from all age groups. She stated that we take a slow approach on things at first to allow the older pupils to return. The first minister also said, when the older children come back to school there will need to be some form of blended learning.

Sturgeon stated that she would like all schools back as quickly and safely as possible.

Fingers crossed a decision will be made on the P4-P7's return soon.

HOME LEARNING

Chloe Burrell's home learning programme

CASE STUDY

Name: Chloe Burrell
Class: P6B
Teacher: Miss Burley

In the morning I get up at 8:30am and have my breakfast. After that I go upstairs and brush my teeth and get dressed so I can get ready for my morning meeting with Miss Burley. We talk about our work for the day in the morning meeting. I then start my math work. At 12:30pm, I go down for lunch and I normally have a cheese sandwich. After lunch I start my literacy and work through all the assignments I have been set.

At some point during the day I will play Sumdog. I will give some time to read my book called Snow Foe. It is very important to read as much as you can. When I have done my work for the day, I like to draw and Facetime my friends. After dinner, I take my puppy Bella out for a 3 mile walk. On my return, I tidy up my room ready for the next day and go to bed at 9:30pm.

for the day, I like to draw and Facetime my friends. After dinner, I take my puppy Bella out for a 3 mile walk. On my return, I tidy up my room ready for the next day and go to bed at 9:30pm.

HOW TO?

Log into SUMDOG

1. Using your laptop, Ipad, PC, phone, etc, search for sumdog and click the link: www.sumdog.com
2. Click on the Log in button, top right
3. Use your Username & Password (if you do not have this, please contact the school)
4. Now choose, Maths, Spelling or Grammar.
5. You can see how your friends and classmates are doing once you choose a game to play.. good luck!

HUB LIFE

» **EXCLUSIVE** by Ailish Johnson

I'm in one of three hubs at Heathfield Primary School. The P5s are combined with P6 & P7 and it's great to get to know everyone here. I thought I'd write a piece to let you all know how it is in our hub.

I wake up at 7am, get changed and go downstairs. I'm in the hub today, so I need to get ready. After breakfast and I have brushed my teeth, I prepare my bag for school. I can't forget my jotted as all my passwords and work are in there. When I get to school, I need to line up outside, and wait for the door to open where I will be added to the register. Once in, I get to speak with my friends & play some games in the gym hall before checking in with

my teacher on the Ipad. At 9.45am, our online learning begins. Once completed we go back to the gym hall and maybe play dodgeball, hockey or go outside for rounders.

Lunch is at 12pm and we all have it together, which is fun, and we all watch Newsround afterwards. We have a second session of home learning in the afternoon, followed by a choice of more games, baking, play don, painting, reading, whatever we fancy and then we go home at 3pm.

I was not looking forward to coming to the hub but I actually enjoy it and I get to see my friends.

NEWS IN BRIEF

Celebrating the life of a charity fundraising legend

It is with great sadness that we announce the death of Captain Sir Tom Moore. He died on Tuesday

BY CHRIS DAWSON
afternoon after being treated in hospital for pneumonia and coronavirus. Sir Tom became famous

when he raised millions of pounds for the NHS by walking 100 laps of his garden before his 100th birthday.

THE YEAR OF THE OX

Today is Chinese New Year, the year of the Ox. Traditionally, it was a festival to honour gods and ancestors. At Heathfield, pupils have been learning all about it with various activities including origami.
