

Heathfield Primary School and Early Years Centre

**Primary 2 Curriculum Newsletter
August - October 2021**

Literacy

We will start by revising some of the phonemes we learned in P1 before moving on to learn a new sound every week. We will also learn to spell more common words. Reading will continue with one book being sent home to read and one staying in class for us to use for daily writing tasks. Our class book is 'Where the Wild Things Are' and we will use this as a stimulus for writing and links to drama and listening and talking. In Spanish, we will be learning greetings, sharing information about ourselves, and numbers to 20.

Health and Wellbeing

In term 1, we will be focusing on social wellbeing; including friendships, sharing, turn-taking and our rights. We will work together to agree a class charter and what we would like for our rewards. In PE, we will be learning ball skills, target games and developing agility. PE days are Wednesday and Friday. We will continue to reinforce hygiene rules, particularly when preparing food.

Numeracy

Our main focus this term will be place value. We will learn to count in different ways, for example forwards and back, in tens, in fives in twos and starting from any number. We will learn to write two-digit numbers correctly with the tens and ones digits in the correct order. There will also be a focus on estimation and rounding numbers to the nearest ten. We will also be learning different strategies for addition and subtraction.

Skills/Other Curricular Areas

Food Technology: preparing simple foods, including soup.
Music: singing and rhythm.
ICT: word processing and web navigation.
Art: drawing and painting.

Dates for your Diary!

13th - 16th September -
Sponsored Event
Friday 17th and Monday 20th
September - Long Weekend
1st October - Reports to
parents (levels only)
4th October - Foodbank
Collection
6th and 7th October -
Parents Evening

This term, our context for learning will be 'In the Garden.' You can help us by exploring nature in the local area, including plants and wildlife.
