Dear Parents/Carers,

Accelerated Reading (AR) Workshop

You may have already heard your child talk about AR, which is a computer program that we use at Heathfield Primary to help teachers manage and monitor children's independent reading practice and promote a positive reading culture.

With the help of some of our Primary 7 pupils, we will be holding an Accelerated Reading (AR) workshop. Our pupil group are excited to show you how it is used in class by pupils and the benefits it is having on their reading.

The workshop will run on Tuesday 30th November at 4.15pm, via Zoom. The link to attend the meeting is on the accompanying email, and shown below:
