

# Emergency Closure Arrangements

In the event of the nursery experiencing difficulties with severe weather, power failures, and fuel supplies. It would be necessary to close the nursery building.

In the event of an emergency occurring during the school day where children and staff are unable to re-enter the building, the children will be taken to *Kingcase Primary School* and would be collect by parents and carers from there.

Please be reassured that your child's safety and wellbeing is our prime concern and we will endeavour to keep you fully informed via telephone, notices, press or radio releases.
