

Heathfield Primary School and Early Years Centre - NEWSLETTER SEPTEMBER 2025

September 2025 (2)

Dear Parents and Carers,

We have had a super start to this academic year and pupils are looking very smart and sensible in their school uniforms. We have lots of exciting events over the coming term.

Sponsored Event – 18th September

Please remember to bring sports clothes on Thursday for our Sponsored Bounce. We know that every family's circumstances are different, so any contribution you are able to make is truly appreciated. Every bit of support makes a difference towards subsidising school outings and events.

☀ Exciting News – Our New Cruyff Court! ☀

Our Cruyff Court is now open and ready to use. Pupil groups are being taken out to explain the rules to stay safe and keep our pitch well maintained. If you haven't already, please watch the video: [We create space for children to sport and play | Cruyff Foundation](#)

There are 2 trampolines at the back of the court. The rules are written on the trampolines, but pupils will only be allowed on one at a time.

The grass around the Trim Trail has been re-sown and we are asking pupils to stay off the Trim Trail until the end of September. Please see page of rules at the end of our Newsletter.

🚗 Parking & Travel to School – Parent Volunteers Needed

I am still looking for some parents/carers to help us create a Travel Plan for Heathfield. This will involve attending a meeting on **Thursday 30th October at 2.00pm** as part of the Parent Voice Group. We would like the group to comprise of parents and children so if you sign up your child can come along too.

The Junior Road Safety Pupil Group will lead the meeting. There will be discussion and suggestions about how to encourage pupils to walk to school and for all parents to park considerately.

Home Learning

A Home Learning survey was shared with parents, and we had 71 responses. Only approximately 10% of our whole parent community indicated that they were in favour of homework. This is a relatively low figure but this is something often raised on parent surveys so we would like to establish a group of parents to discuss. I would like a group of interested parents to attend a meeting also on **Thursday 30th October at 2.00pm** as part of the Parent Voice Group. Again, we will invite children of any parents attending to join the group so we can capture both parent and pupil voice.
