Our Vision

It is our vision that the pupils at Holmston Primary receive an education for the 21st Century, which encompasses sound educational knowledge and understanding, responsibility for the environment and knowledge and opportunities to enable them to lead healthy, active lives.

They will value and contribute to their community, while their wider achievements will be celebrated and learners will have a voice in the school community.

This education for the 21st century will be delivered in a motivating manner which results in the pupils of Holmston achieving the 4 capacities of Curriculum for Excellence enabling them to become successful learners, confident individuals, responsible citizens and effective contributors.

Article 28

You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.

Article 29

Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.

School Improvement Plan

- To continue to raise attainment and maintain consistently high standards in the quality of all learners' experiences across the curriculum
- To support closing the attainment gap whilst challenging all learners to meet their full potential by embedding the 'GIRFEC' principles and through the life and ethos of the school
- To increase partnership working with a wider range of stakeholders to enrich the pupil learning experience and develop skills for learning, life and work

Educational Services Improvement Plan

- Improve attainment, particularly in literacy and Numeracy
- Closing the attainment gap between the most and least disadvantaged children
- Improvement in children and young people's health and wellbeing
- Improvement in employability skills and sustained positive school leaver destinations for all young people
