

Primary 6 - Term 2 Newsletter

We hope that you are well rested after the October holidays and are ready for another busy term. We are excited to welcome Miss Dickson back from maternity leave (Now Mrs McCreath) and she will be in class every Monday and Tuesday and Miss Gunning will be in every Wednesday, Thursday and Friday.

We have lots of interesting things planned for the term ahead, a cinema trip to see 'Kensuke's Kingdom' and visits from Ayr Hospital Radio Station to name a few. Tune in and you might just hear us live!

The class have almost completed their Bike Ability Level 2 and have really enjoyed the time spent outdoors and on the roads. We were blown away by the effort put into the creation of the shoe box habitats. To develop communication and presentation skills further, pupils have used technologies to research and create their own presentations to coincide with their designed habitats. We will visit P2 and each pupil will pair up with a P6 pupil and will listen to the presentation and ask any questions that they have about the animal and their habitat. This collaboration will then stand our class in good stead when it comes to presenting their findings to their peers in P6.

Our big focus this term will be a creative study called 'Solarpunk Island,' which ties in well with our novel study and will allow pupils to delve deeper into the 6C's of deep learning: Creativity, communication, citizenship, collaboration, character and critical thinking.

As always, please don't hesitate to get in touch via the school office if you have any questions or concerns.
