

P6 Class

NEWSLETTER

Welcome Back To School!

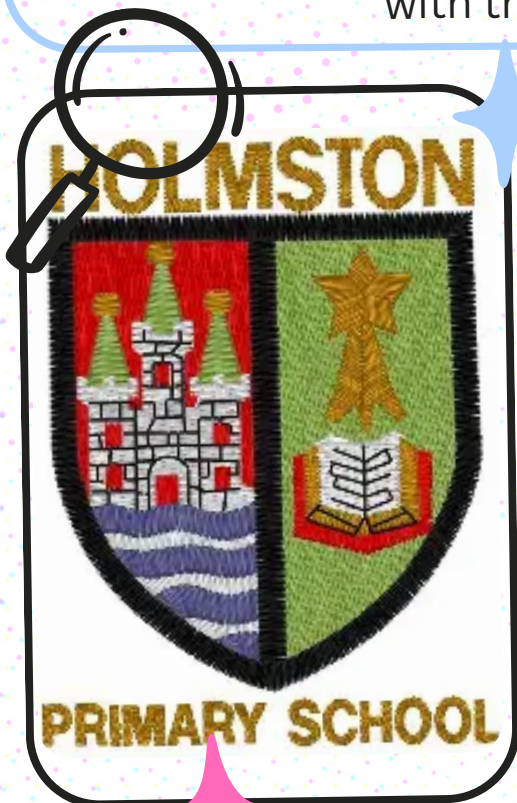

Welcome back everyone! We hope you had a fantastic summer. We are excited for a busy year in Primary 6. Mrs McCreath will teach the class Mondays & Tuesdays and Miss Gunning will teach on Thursdays and Fridays. We will both be in class on Wednesdays.

Our class has been selected to represent Holmston Primary with our Christmas shoe box appeal for Ukraine. Keep your eyes peeled as to how you can help support us with this!

Timetables

PE - Tuesday and Thursday

ICT - Tuesday and Thursday

This Term in Literacy

The novel we will be working on this term for reading & writing is 'Kensuke's Kingdom' by Michael Morpurgo. This term our focus will initially be on writing a character description. We will use the description of Kensuke as our model text. We will also be developing our geographical knowledge as we plot Michael's journey around the world.

Science and HWB

Our science topic will relate to our class novel as we consider the different animals that Michael comes across on the island. Pupils will have the opportunity to create their very own animal habitat as part of an upcoming homework task (don't throw out your new school shoe box!) The class will have the exciting opportunity to present their habitats to their peers.

For HWB this term we will be exploring the following, Classroom Charter linking to UNCRC, SHANARRI – Health and Well being webs, Growth Mindsets and Basketball in PE.

Kensuke's Kingdom

6 Cs of Deep Learning

This term we will be focusing on Character, Citizenship and Critical Thinking.

Maths and Numeracy

We will be exploring topics within Number and Number Processes, simple fractions, percentages and decimals and then Estimation and Rounding. Please keep up the Times Tables revision at home, could you turn this into a game or challenge?
