Summer Fair is taking place on the 31st May. Things that need sorted include securing a face painter, trying to get a coffee vendor, booking bouncy castle. A pony will come for a walk and strokes for the children to enjoy. Police horses will come again this year, as well as the ambulance.  
Payments this year will be either cash or cards. There won't be any tickets to keep the process simple. P7s would be welcome to help with some of the games if that was possible. A rota will be needed to ensure that everyone has an opportunity to help but also enjoy the Fair.

## 8. Friends of Broadway Prestwick

Kyle MacFarlane joined the KFP meeting on behalf of the comes in behalf of the Broadway Prestwick. The Broadway purchased Prestwick's cinema building last year and renovation work started subsequently to preserve one of the best examples of the type in the country. Once restored, the cinema will look like it did in 1935 with comfy seats. It will also be suitable for theatre, music and have a museum about cinema.

Going forward, the Broadway is keen to build collaboration with local schools. The Broadway is already working with Senior pupils in Prestwick Academy with plans to work on with 1st years and all the way up.

The hope is to be able to add film and media to the academy's curriculum further down the line and bring to life the endless opportunities the Broadway cinema could bring to young people and possibly a Saturday morning club for young people in the future.

Funds are vitally important to this project and over the Easter holidays, the Broadway is planning a treasure hunt in Prestwick for £1 per sheet.

It will be available to all feeder primaries and will take place around Prestwick Main Street. The draw will take place 23rd April. Prizes will be from donations from the local sweetie shop.

The Broadway is looking to get funding to do some screenings with professional cinema equipment and looking at coming to the schools while the building is not ready yet.

9. SAC chairperson's meeting report

Communication around attendance were shared at last meeting. Kingcase has the highest school attendance in South Ayrshire in the large primary school category.

Sarah Pye who is usually organising these meetings is retiring.

10. AOCB

The Parents Class Rep idea was discussed again to improve cascading of information, communication, and engagement through the school. This would ideally be organised in the new academic year and established as part of the AGM in September.

Infant playground clear up. Marie will meet with scouts to discuss options to get a clear up organised ASAP.

Gillian has sorted the lets for next week – still need one Janitor for the summer fair, maybe two.
