

Literacy and English

Reading: Charlie and the Chocolate Factory, Selection of Non-Fiction Texts, Scottish Poetry. Reading for enjoyment in class, research for IDL, decodable passages linked to weekly phoneme.

Writing: Character, Short Story, Poetry, Procedural

Listening and Talking: Asking and answering literal, inferential and evaluative questions, developing our presenting skills through solo talks about a book of your choice.

Numeracy and Mathematics

Data Handling (P5A): Collect, sort, display and interpret data to compare information, spot patterns and draw conclusions.

Multiplication and Division: Build strong multiplication and division skills and find strategies that work best for learners.

Money: Using the four operations to carry out money calculations, discussions of profit and loss linked to Enterprise Fortnight

Fractions: Explore fractions through hands-on activities, real-world problem-solving, visual models, and reasoning strategies.

Health and Well-Being and PE

PE: Swimming, Fitness and Gymnastics

Swimming: We are enjoying our swimming block at Prestwick Swimming Pool.

Resilience: We are focusing on resilience in our Health and Wellbeing lessons and building strategies to be more resilient.

Class Study (IDL/Topic)

Charlie and the Chocolate Factory: Linked to our novel focus, we will be exploring the journey of chocolate and Fairtrade.

Enterprise: P5 will develop our entrepreneurial skills and create an item to sell on Enterprise Day.

Scottish Landscapes: Exploring Scotland's landscapes through mapwork, art, stories, and investigations into mountains, coasts, rivers, and wildlife.

Art and Design Contexts and Skills:

Designing and advertising our Enterprise products using primary and secondary colours.

Paper modelling linked to our IDL topic.

Music and Drama Contexts and Skills:

We will create a jingle for our Enterprise business, and compose music through electronic devices.

We will learn some traditional Scottish songs through our Scottish topic in January.

R.E:

Exploration of Christmas – looking at the story, celebrations and traditions.

Exploration of Jewish home celebrations over winter.

Modern Languages Topics:

We will be looking at Colours, Festival Days, Food & Drink.

STEM (including Digital Technology) Contexts and links to Creativity:

Food technology links to Charlie and the Chocolate Factory

Digital technologies: working knowledge of platforms such as Glow MS Teams, One Note, developing skills in programming through Microbits

Typing skills - (Dance Mat typing)
