

Termly Curriculum Map 'Soaring to Excellence'

Session: 2025 -26

Block: 3

Class: Primary 3

Teacher: Mr Reid

Literacy and English

Reading and phonics: In class, pupils will be reading decodable and other texts. We will continue to revisit and learn new phoneme/grapheme correspondences to enhance our knowledge, allowing us to decode and encode with increasing confidence.

Writing: We will focus on: Explanation, Procedural and Report. The children will continue to develop their vocabulary and punctuation knowledge, and handwriting skills, to enhance their written work.

Listening and Talking: Creating a talk about a topic, sorting ideas, using appropriate words and phrases, and focusing of pace, gesture, expression and emphasis. Note taking and mind maps.

Health and Well-Being and PE

Health and Wellbeing:

- Unit 3 – Respect Yourself
- Unit 4 – Challenge your Mindset.

PE: Our PE days are on a Thursday and Friday. We will also be taking part in the Daily Mile.

- Multi-sports
- Fitness
- Athletics

Look out for after school activities offered by Active Schools throughout the session. A great way to try something new!

Numeracy and Mathematics

Data Analysis – collecting, organising and classifying data. Tally marks, pictograms, graphs and tables with rows & columns and frequency tables.

bar

Multiplication and Division – focus on the connection between multiplication and division. Exploring the 2-, 4- and 8-times tables, the 5- and 10-times tables and then the 3- and 6-times tables.

Fractions – exploring halves, fifths, quarters and tenths. Showing fractions on a number line. Exploring equivalent fractions.

Measure – length – centimetres, mass – grams, volume & capacity – litres and half litres.

Ideas of Chance and Uncertainty – making predictions about the likelihood of an event occurring.

Class Study (IDL/Topic)

Weather and Climate

The children will explore different weather & climate types, the earth, moon and sun, weather mapping, animals from different climate zones, extreme weather and measuring weather.

Romans

The children will be mapping the history of the Romans, learning about the Roman soldiers, life of the Romans, Roman Chariots and learning about Julius Caesar.

Art and Design

Drawing skills – showing increasing details in drawings and sketches.

Sculpture skills – working with clay, paper and card to make models.

ICT and Art – using a mouse to make controlled drawings.

R.E.

Our focuses will be –

- Easter – the story behind Easter, making connections to their lives and beliefs.
- Caring – God & Allah (Islam)

STEM (including Digital Technology) Contexts and links to Creativity

- Coding
- Space (Link to weather & climate)
- Internet safety
- Model making

Music and Drama

Drama – presenting short dramas and role-plays. Giving simple responses to evaluate others' dramas and using strategies to create and develop drama ideas

Music – understanding the beginnings of musical notation and how this helps to play other people's music. Discussing how music makes us feel and evaluating others' performances.

Modern Languages Topics

With Mrs McBride, pupils will be exploring Spanish vocabulary including: Seasons and Clothes.
