A message from Mrs Nicoll

Welcome to P7A!

This is going to be an action-packed, adventurous year. In P7 we work hard to learn new skills in literacy, maths, science, art, music, and many more! If there are things you feel less confident about, please don't worry – you have a whole team of people to support you.

I hope you will become a P7 leader – one of the many amazing opportunities which will make this a memorable year!

We will join together with P7B for many of our projects meaning you can form more friendships and make loads of great memories. I can't wait, can you?

Some things to look forward to . . .
