A message from Miss Taylor

Primary 7 is such a special year, and you'll have a super time! You're the leaders of the school, the role models that younger classes look up to, and it's your final year before the big step up to Secondary School.

There's so much to look forward to - P7 is packed with exciting opportunities from trips and visits, to special projects, performances, and the celebrations at the end of the year.

In our classroom, we'll work as a team to support each other, and make sure everyone feels happy, safe and confident to try their best. There will be lots of chances for you to share your ideas, be creative, and lead your learning too.

I'm so excited for our year together in Primary 7! This is your year to challenge yourselves, make brilliant memories with your friends, and get ready for the next big step. I'm really looking forward to being part of that journey with you.

Enjoy your time just now, and I'll see you very soon!
