A message from Miss Melville

I am really looking forward to welcoming you into Primary 1. Your first year at school is a very special one and we will have lots of fun together, playing and learning along the way. In Primary 1 you will spend time in our special play area called "The Magic Meadow." In the meadow your curiosity and creativity will be developed in many different ways, and you will get the opportunity to work across both Primary 1 classes.

You will also get the chance to meet our class bear again, "The Everywhere Bear," and I look forward to seeing your photos of what you got up to over the summer.

See you in August - Mrs Melville xx
